This Schedule went to press Monday, June 28, 1982. In the four days between that date and the opening of the convention, there are myriad opportunities for last-minute changes in the Program. Some panelists' confirmations have still not been received; and they, naturally, cannot be listed. Conversely, others, who have confirmed, may be forced to cancel. For an up-to-the-minute report on the WesterCon-35 Schedule, check the current edition of *Messenger Mountain*, and the convention bulletin boards.
